Dear Parents/ Guardians /Students,

Greetings of the season!

Dasara is a time for celebration, A time for victory of good over bad, A time when the world sees the example of good power. Let us continue with the same “true” spirit.

Happy Dasara!!

We have always believed that the school and parents should work together as partners to provide good care and upbringing to the children with dedication and determination.

Even seasonal situations can bring with them lessons that last a lifetime. The task ahead of you is never greater than the strength within you.

Francisian family wishes our students a refreshing and rejuvenating Dasara vacation. May they come back energized to achieve new heights. May you feel a resurging spirit rise in your heart that will lead you successfully through all your endeavours.
