## NOTIFICATION ON UNIFORM UPGRADE

8<sup>th</sup> March 2025

Dear Parents/Guardians,

As informed earlier through our Circular No. 60/Prin./December 2024 dated 18<sup>th</sup> December 2024, we are pleased to share that the school uniform for our students will receive a fresh new look for the next academic year 2025 – 2026 to mark the silver jubilee year of our institution! This change aims to provide students with a comfortable, and refined uniform that reflects the high standards of our school. **This change applies to students in Grades 1 to 10 across both the Primary and Secondary sections.**

We understand that buying new uniforms can be a financial burden. To help you ease this burden, the management has considered to minimize the increase in school fees for the next academic year. Instead of the usual 12% increase, the management has reduced it to 7%. This will benefit you taking into account your child's years of study or ongoing education at our school.

### Uniform Details:

- **The handling of all uniform and accessories for the next academic year onwards is handed over to the Vendors. The details of the Vendors are given below.**
- **School office will not be handling any uniform related queries hereafter.**

The measurements of the children of classes 1 to 10 have already been taken in the classes.

Please note that parents of preprimary section, who wish to purchase a set of uniform can bring your child for measurement on the respective class result date, which will be notified in our Circular on the school website.
