Dear Parents,

Welcome to St. Francis School (CISCE), St. Francis School ICSE was established in the year 2000 with the intention of meeting the growing demands of society and its student body in its vicinity. Since its inception, the school aims at the moral, intellectual, social, psychological, and physical development of all pupils entrusted to its care, irrespective of their caste, creed, and religion. The school, is co-educational and affiliated to the CISCE, offers quality education to children from Pre-Nursery to Class 12. The campus features cutting-edge resources for academics, extracurricular activities, competitions, and sports, as well as modern, visually appealing structures set in an enticing setting.

Our Inspiration:

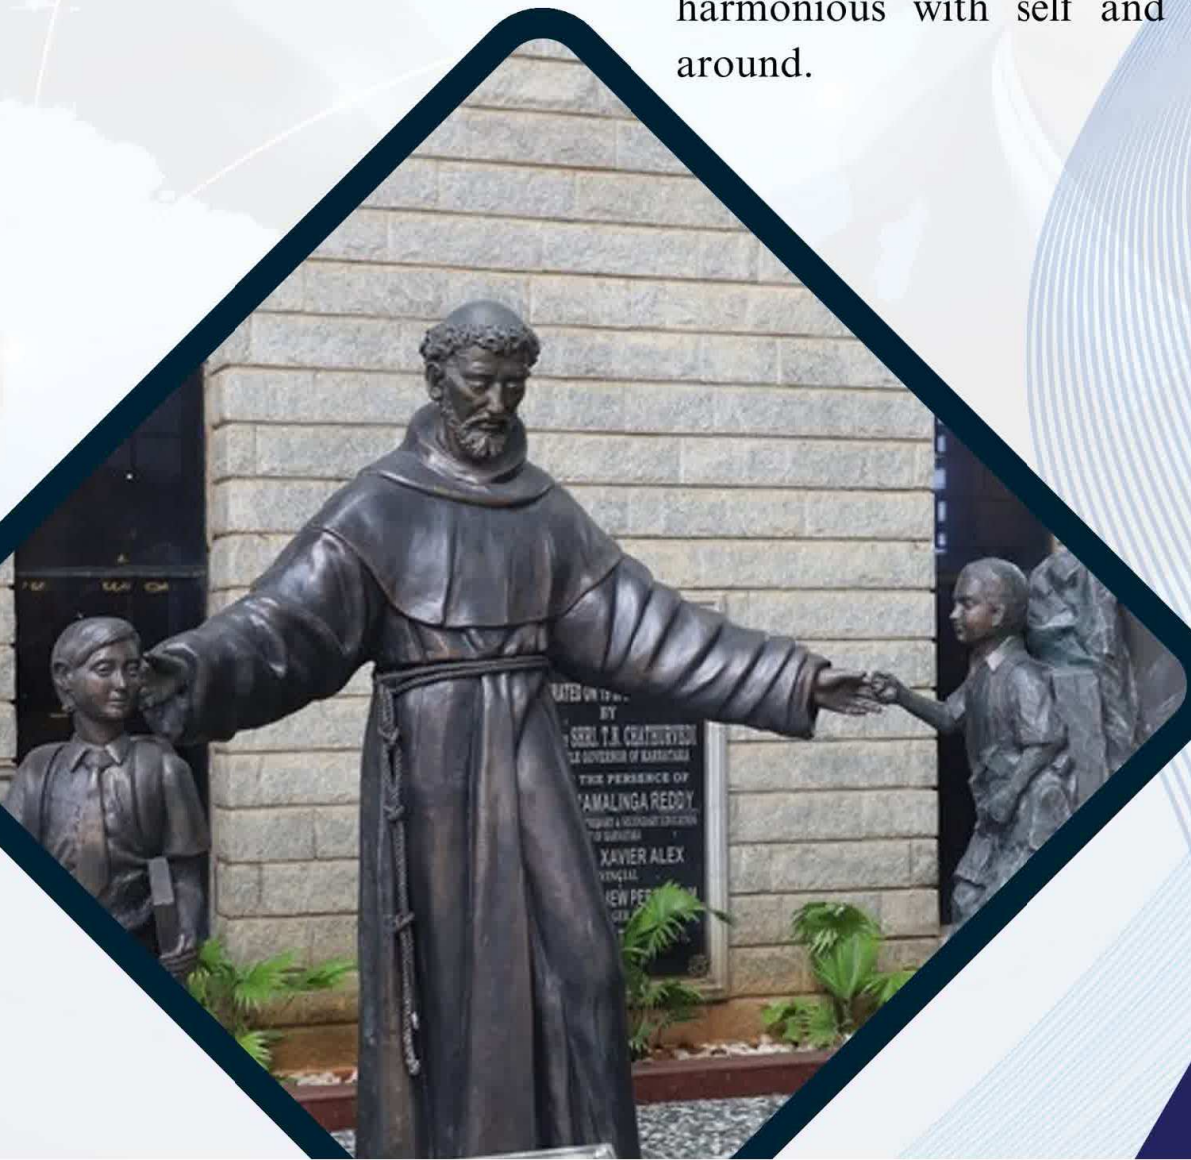

The school is founded on the life and teachings of Jesus Christ, the master teacher, who promulgated the values of love and service to humanity. The Congregation of the Missionary Brothers of St. Francis of Assisi (CMSF), an International Society of Religious Brothers, was founded in 1901 in India by the late Rev. Bro. Paulus Moritz of Germany. The congregation conducts more than forty schools spread across twenty states in India, each of which aims to be a centre of excellence.

Our Vision:

To facilitate a conducive environment for joyful learning and holistic growth; imparting and upholding Franciscan values of Love, Peace and Justice To foster Moral, Cognitive, Physical and Social growth of Franciscans.

Our Mission:

To make St Francis School ICSE a home away from home, engaging, moulding and equipping the young minds to meet the challenges of tomorrow. To nurture a generation of Future-ready Leaders that is harmonious with self and the world around.

Educating the Generation of Tomorrow:

Acclaimed as one of Bengaluru's elite institutions of learning, St. Francis School (CISCE) aspires to be among the most prestigious schools in the country. The management will keep exploring the most cutting-edge approaches and appropriate educational initiatives for the community it serves.

Admissions:

Candidates who have appeared for the ICSE or equivalent examinations from English medium schools are eligible for provisional admission which will be considered for confirmation after the ICSE or equivalent examination results are out.

Admission Criteria:

Required minimum percentage in pre-board examinations as in decided by management and eligibility to appear for admission test.

The ISC Programme:

This is a two-year course followed in Classes 11 and 12, leading to the award of the Indian School Certificate, a premier school leaving qualification recognized nationally and internationally. In addition to English and SUPW (Socially Useful Productive Work), which is compulsory, students will have to do four electives. From the following subject combinations, students could choose one.

Class Timings:

8:30 a.m. to 3:00 p.m. from Monday to Friday, with a possibility of special classes on selected days.

Assessment System:

1. Both formative and summative assessments are done for the ISC curriculum.
2. Formative assessments - In the form of class test and projects. Projects are an important component of the assessment process.
3. Summative assessment in the form of Unit Tests and Examinations.
4. Evaluation is done keeping in mind the student's performance throughout the year.

Transport:

Our buses, equipped with Camera and GPS and a Female Safety Warden, cover various parts of Bangalore. Students seeking to make use of the school transport facility must register their names with all the details - boarding point, bus route, bus number, etc. at the school office.

Uniform Policy:

Schools uniform policy includes formal and sports attire provided by the school.

Class Size:

With a maximum class size of 40 students in all disciplines, we place a strong emphasis on individualized instruction. By keeping the student-teacher ratio at 1:7, this guarantees a close-knit, encouraging environment.

Counselling:

Counselling is an important and integral part of our School. A team of counsellors and teachers provide pastoral care to all the children.

Discipline:

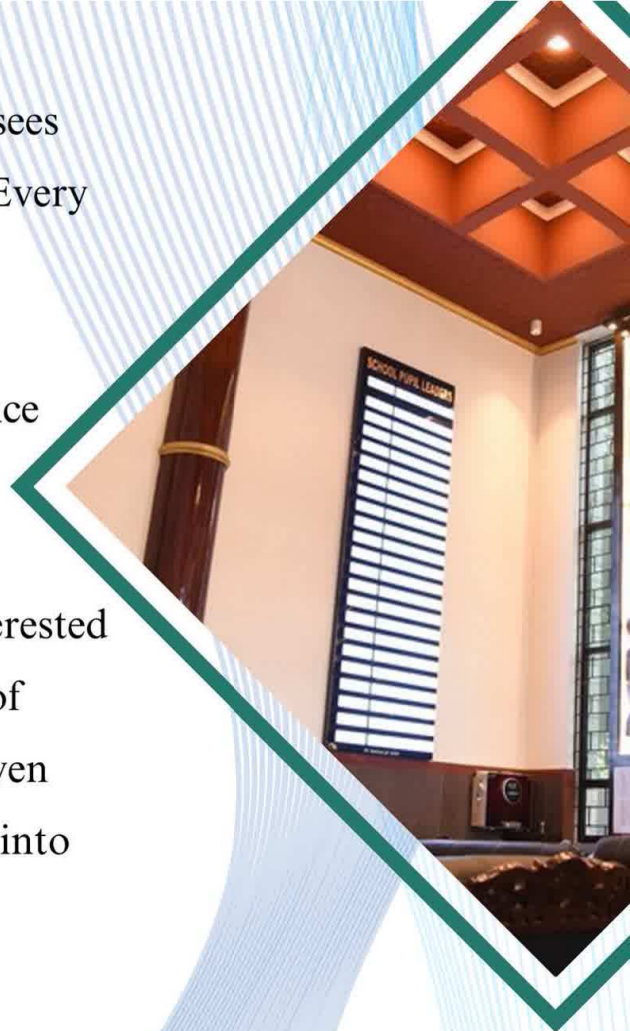

At St. Francis School, we believe that discipline and order in our day-to-day lives are the key to a happy, healthy and productive life. We expect respectful, obedient, courteous and helpful behaviour of our students at all times. A student's conduct, and norms regarding use of personal effects will be governed by school rules and regulations, which will be communicated to the applicant as soon as he/she becomes a part of the Francisian family. Offer of admission is conditional on the implicit acceptance of the school's code of conduct .

Why choose ISC at St. Francis?

- **Holistic Learning:** The holistic development of a Francisian is attained through academic excellence, professional competence, personal, inter-personal and societal skills enabling students to nurture and realise their academic goals and dreams.
- **Student Profile Building Programmes:** We aim to articulate francisians Profile Building Program model that consistently and reliably predicts success for all students.
- **Learning not just teaching:** School embodies the essence of education rather than just offering it, going beyond facilities, infrastructure, and curriculum.
- **NEET and JEE:** Integrated coaching for the preparation of NEET and JEE entrance exams from a premier institute.
- **Supportive learning environment:** Regular personalised teaching and academic discussion through our renowned tutorial system.
- **Faculty:** Experienced and dedicated faculty to equip the students with the knowledge and skills they need to realise their aspirants.
- **Global Exposure and Experience:** St. Francis School provides students with an incredibly unique experience by offering a top-notch education along with a wide range of extracurricular activities, a wonderful campus community, and one of the most active student forums with a plethora of clubs and associations to join.

- **Facilities:** St. Francis School welcomes and foresees evolving information technology developments. Every classroom and learning experience at the school incorporates state-of-the-art technology. Other amenities include a well-stocked library, conference spaces and innovation labs.
- **Sports Like No Others:** We offer resources and support for any sporting activity that kids are interested in, all of which are closely related to our mission of holistic student development. We believe when given enough support, talented individuals can develop into successful performers.
- **Alumni Benefits:** After a student graduates, our relationship with them continues. Our established alumni network gives our graduates more and more options for socializing and networking.
- **Parents Connect:** With the aid of modern software know how and technologies, our intuitive software, Parent Connect is a complete solution when it comes to meeting your awareness and involvement in your child's education and school-based learning and activities.
- **Safety:** Safety is paramount at St. Francis School, with CCTV surveillance, a well defined disciplinary policy, trained security staff, separate academic blocks, and a Child Safety Committee. We prioritise a secure environment for every student.
- **Digitally Enable Classrooms:** Finger touch-based learning systems allows educators to teach through pictures, diagrams, videos and animations.

FAQ

1. What is ISC?

ISC stands for Indian School Certificate, Indian School Certificate is affiliated to the council for the Indian School Certificate Examination (CISCE) that is awarded to the school students after passing higher secondary examinations. It is equivalent to the 12th-grade examination and is widely recognized for secondary education in India.

2. Are ISC and ICSE different?

Yes, the Indian School Certificate (ISC) and the Indian Certificate of Secondary Education (ICSE) are two separate exams; the ICSE is for the examination for the tenth grade, and the ISC is for the examination for the twelfth grade. Both exams are conducted by the Council for the Indian School Certificate Examinations (CISCE) in India.

3. What advantages does ISC offer?

ISC is one of the finest exams that school students can appear for in India. An ISC certificate carries a high international value and can improve college application prospects for the student. It also includes a high emphasis on English language proficiency, a comprehensive curriculum that encourages critical thinking, and recognition for college admissions. ISC offers a well-rounded education and helps students get ready for higher education.

4. My Class X exams is from the CBSE/NIOS/State Board were successfully completed. Would I be able to enrol in ISC Class XI?

Yes, after clearing Class X exams from the CBSE, NIOS, or State Board, you can often get admitted to Class XI of the ISC (Indian School Certificate). It is advisable to get detailed information about admissions requirements and procedures by getting in touch with our admissions office, as they may differ.

FAQ

5. After choosing ISC, can I pursue competitive exams?

Absolutely, you are still free to take competitive exams even if you choose to obtain an ISC (Indian School Certificate). ISC students are still eligible to take competitive tests in order to advance their education and professional prospects. Students will be ready for a variety of exams outside of the ISC board thanks to the curriculum.

6. Compared to other boards, is the ISC syllabus more difficult?

ISC offers a high emphasis on English language proficiency, a comprehensive curriculum that encourages critical thinking, and recognition for college admissions. ISC offers a well-rounded education and helps students get ready for higher education. The exams require detailed answers, strong analytical skills, and high proficiency in English. The curriculum includes extensive internal assessments and project work, which adds to its rigour. It's recommended to assess individual learning preferences and academic goals to determine the suitability of the ISC curriculum.
