### Hindi Recitation Competition

ओढ़ ले नकाब चेहरे पर फिर इक सुबह,  
दुनिया को तेरी मुस्कराहट की ज़रूरत है।

Hindi Recitation competition was conducted on 12/09/2023 for the students of class I and II. It was an extravagant event which provided a platform for the students to exhibit their vocabulary and rhyming skills. The students participated with great zeal and enthusiasm.

A poem has no barriers. The thoughts of a poet / poetess expressed in the form of a recitation.

Being Indians, we should be proud to learn and understand our national language Hindi. The purpose for conducting this event was to showcase the talent of the students. The participants were dressed up relevantly according to their poem. The effort and hard work of students was highly commendable.

A total of 98 students took part in the competition.

Judges for class 1: Tr. Asma and Tr. Deepthi
