The INTRAMUN was held on the 8<sup>th</sup> of July 2023 which saw a participation of around **170 delegates** from classes **VI to X**. It was conducted in the school premises and began with a short prayer in the school ground at 7:30 am and declaration of the conference open by the Secretary General. This was followed by the first formal session of the respective committees. There were four different committees, two of them had around 25 delegates and the two bigger committees had around 55 delegates.

The Executive Board members consisted of both present and ex Franciscians. There were totally four sessions with two short breaks and a lunch break. The conference successfully concluded with the declaration of prizes by the Executive Board members of the respective committees at around 5:30 pm. The EB members were given the Certificate of Recognition by the Principal.

The day long sessions taught the students the art of political analysis and problem solving. The students learnt how to come to a consensus and recommend a solution for the agenda at hand. Most importantly, the first timers were able to gain a certain amount of confidence. They also learnt the finer nuances of meaningful research and oratory skills.
