## **Report on Pre-Primary Sprinkle water Activity**

**Sprinkle water activity was held during the week of June 26<sup>th</sup> for the Montessori and Nursery students.**

**This activity was organized for Montessori I, II, III and Nursery students to understand that the plants are living things and need water to survive.**

**Watering a plant for the first time is a big moment in a child's life.**

**Children also understood that we need to take care of plants. These are good opportunities for teaching the child about the environment around us.**

**Montessori I, II, III and Nursery students enjoyed watering the plants.**

**Report by,**

**Teacher Sumathi Dileep – Nursery 'C'**

**Teacher Arpita Patra – Nursery 'C'**
