DRAWING AND COLOURING COMPETITION 2023 – 24 [Report]

Class 1 and 2

"The artist is not a special kind of person; rather each person is a special kind of artist"- Ananda Coomaraswamy.

Drawing and Colouring competition for the academic year 2023-24, was held on the 14th of June 2023. This was the foremost awaiting time for children to expose their talent in drawing and colouring.

Students of class 1 did drawing and colouring on the theme **Stick figure Art** and students of class 2 did drawing and colouring on the theme **Palm Art**. All the students participated in the competition. The duration of the competition lasted for an hour. This competition proved the creative and artistic skills of our students.

Each one participated with great enthusiasm and excitement. Our sparkling stars showed creativity by drawing and colouring different types of stick figures and exhilarating palm art in new ways. Their tiny hands crated magic and each one proved to be a winner. Art is setting yourself free. So, each child who refuses to put down the crayons after the bell rings is an artist. But we were bound to reward just a few of them who had left us astounded with creativity.

It was good to conduct such competition to bring out the hidden talent in student and which also helps them to know what they are capable of.

Teachers in Charge: -

Tr. Ruth and Tr. Antara.
